

Orabond 1460

Art.-Nr.: 146089

Description:

This double-sided tape consists of a rayon carrier layered on both sides with a rubber adhesive. It is exceptional through its high transparency and aging resistance. The adhesive is lined with a double-sided silicone paper.

Area of use:

This double-sided tape is highly rip-resistant and very suitable for the installation of carpets. This high quality carpet tape has an excellent colour stability and is therefore less likely to stain more sensitive floor surfaces.

Remark:

Not appropriate for artificial stone floors, marble or floor materials with a high plasticiser content.
